Swiss Addiction Research Award (SARA) 2015

Prof. Dr. med. Wiesbeck
President of the Curatorium

SARA Summary

- The Swiss Addiction Research Award (SARA) was donated in 2008 by the Swiss Society of Addiction Medicine (SSAM).
- The award consists of a cash-prize of 5.000 CHF. It can be split.
- The prize is for outstanding scientific papers in addiction research which have been published within the last two years.
- An independent curatorium evaluates the submitted papers and puts them into a ranking order
- This curatorium consists of the following persons:
 - Jacques Besson
 - Barbara Broers
 - Marcus Herdener
 - Monika Ridinger
 - Johanna Schönwälder
 - Gerhard Wiesbeck (president)

Ranking Table 2015

	Applicant 1	Applicant 2	Applicant 3	Applicant 4
Jacques Besson				
Barbara Broers				
Johanna Schönwälder				
Monika Ridinger				
Marcus Herdener				
Gerhard Wiesbeck				

Important ranking guidelines:

- Each reviewer had to give each applicant one ranking number between 1 and 4 (1 = best, 2 = second, etc.... 4 = last place).
- Reviewers were not allowed to rank applications from their own institution, if they were affiliated with one of the authors, or if they felt prejudiced in any way!
